

Dhanushka Perera

SOFTWARE ENGINEER

+94 77 123 4567 · dhanushka.p@example.com · Colombo, Sri Lanka · linkedin.com/in/dhanushka.pe

OBJECTIVE

Motivated high school senior with a strong academic record and genuine passion for STEM, seeking a part-time position at Riverside Tech Hub. Eager to support customers with technology questions, develop hands-on retail skills, and contribute to a collaborative team environment dedicated to excellent service.

WORK EXPERIANCES

September 2023 – Present

Software Engineer – Virtusa Colombo

- Led a 12-member team to design and build a competition robot, placing 2nd at the regional FIRST Robotics Championship
- Coordinated weekly practice schedules, assigned technical roles, and tracked milestones using Trello and shared Google Sheets
- Mentored 6 junior members in mechanical design, Python programming, and circuit troubleshooting
- Secured a \$1,500 equipment grant by writing a formal funding proposal submitted to the district STEM committee
- Represented the club at the Annual STEM Expo, presenting the robot to 200+ attendees including school board members

June 2024 – August 2025

Junior Software Engineer – IFS R&D

- Assisted 30+ library patrons per week with computer use, internet navigation, and printing services
- Organized and led two digital literacy workshops for senior citizens, averaging 15 attendees each session
- Catalogued and maintained inventory of 80+ electronic devices used in the public computing lab
- Collaborated with librarians to redesign the tech-help scheduling system, reducing average wait times by 40%
